during the current cotton season 1991-92 at 116 lakh bales and the domestic consumption at 114.25 lakh bales. Government had released only 1 lakh bales of Bengal Deshi Cotton for export during the current season. The matter regarding the import of cotton is under examination. The carry over stock at the end of 1991-92 cotton season has been estimated at 28.39 lakh bales by CAB. However, it would depend upon the actual imports of cotton during the season.
